

# Request for Charitable Donations

- Geerlinks Home Hardware Building Centre
- Komoka Kilworth Home Hardware Building Centre
- Port Stanley Home Hardware

We believe in supporting the community through local organizations. Our focus is on donations that benefit groups in need and those involving children and seniors, these priorities are set and budgeted for at the beginning of each year. We also make substantial contributions on a national level through Home Hardware's official charities: The Sick Kids Foundation, Special Olympics and Tree Canada.

If your group is a recognized national organization or a licensed local association, please fill out this form and return it to a cashier a minimum of 4 weeks prior to your event date. Your request will be reviewed by management; you will be contacted only if your donation request meets our requirements and budget.
